

## What is Camp Cooper?

Camp Cooper, also known as Cooper Center for Environmental Learning is a TUSD/University of Arizona partnership that provides hands-on learning experiences in the Sonoran Desert, about 20 minutes west of downtown Tucson. Camp Cooper provides day, single night and 2-night field trips for learners of all ages, with activities that are supplementary to TUSD science curriculum. Funding assistance is available.

Visit <http://coopercenter.arizona.edu> for more information.

## What Can TUSD Food Services Provide?

Food Services can provide various meal packages to include breakfast, lunch, dinner & snacks for each day of the Camp Cooper experience. The rates are per person and the meal portion of the rate qualifies for the Federal Meal Program discount. Discounts based off of the current Federal meal pricing for free
